792 job ads were posted to APSA's eJobs in the first 6-months of the 2018-2019 academic year.

Job postings peaked in August with 259 new positions posted.

Trends in Academic Subfields of New Positions Advertised at eJobs (Fall/Winter 2018-2019)

- 72% of all job postings were for tenure-track or tenured positions.
- 45% of all job postings are for Assistant Professor Positions.

*Positions can have up to three subfields, and overlap, so the percentages together are >100.
